Limited Liability Statement/ Personal Liability Insurance

As a member of a snowmobile club, I the undersigned, owner of the snowmobile described above, declare that I am liable for the use of a trail in conformance with the snowmobile laws and rules of the State of Vermont. Without limiting the generality of the foregoing, I declare that I am well aware of the risks related to the presence of tree branches, stones and soil on the trail as well as the risks related to the maintenance and signing of a trail. I consequently declare that I deny my own recourse to any damage, be it of any kind, that could happen to me in the use of a trail.

I also pledge that I will inform any person to whom I would lend or rent the snowmobile that I own, of the risks above mentioned and will advise them that the association, the club or the owner of the trail do not assume any responsibility for the damages they could undergo while using a trail.

As of September 1, 2003, every individual operating a snowmobile in Vermont is required to have personal liability insurance. The minimum required coverage is \$25,000 for one injury or \$50,000 for two or more injuries or deaths with a minimum of \$10,000 property damage.

The fine for operating without the insurance is \$601.00 plus court cost.

Lamoille Valley Rail Trail (LVRT)

Help create this historic and beautiful trail – 93.2-miles in length, running east to west from St. Johnsbury to Swanton, the width of the State.

VAST must acquire between \$750,000 and \$1,000,000 to meet our required match for a Federal Grant of \$4,920,000. The LVRT will be around for years to come, VAST has a 30-year lease, unlike other trails that exist on a year-to-year basis. To help make the LVRT a reality, your unselfish support is encouraged, and we thank you for your generosity.

Vermont Snow Trails Conservancy

Help secure the future of snowmobiling through permanent easements.

Each year brings new challenges for VAST to ensure that the statewide snowmobile trail system remains contiguous and goes from border to border, east and west, north to south.

Voluntary Grooming Contribution

Help your local club with their grooming expenses. Many individuals feel very strongly about the job trail groomers do for the club that they belong to. Grooming snowmobile trails is a very costly undertaking, most equipment costs in excess of \$150,000 and when repairs are necessary they do not pay for themselves. If you would like to donate to your clubs grooming fund please indicate an amount in this box. This amount will be added to the total cost of your TMA and the money will go directly to your club.
